Northwood and Tinkersley Parish Council Update

Welcome to the latest addition of the Parish Council Newsletter :

- The growing season has been great this year, there is an update on the wildflower meadow over the page. Please could the Parish Council remind residents to cut back any over growth on to footpaths so that the paths don't become obstructed.
- The defibrillator for Northwood Lane should be installed in the next few weeks. It has been a lengthy process but a big benefit to the parish. This compliments the one on the A6 at Arconic
- The Parish Council has one vacancy on the Parish Council. The role of a Parish Councillor can be seen on the website or via the Clerk. The Parish Council will fill the vacancy by co-option.
- Communication is really important to the Parish Council. The Parish Council is revamping its website and would like your opinion (see over). We have a Facebook page to help share information with you. Please 'like' the page. There is also an email communication group—please let the Clerk have your email address to be included.
- Thank you for all the community support that has happened during the pandemic. Supporting one another and following the guidelines will ensure an end to this. Please remember to stay home and save lives.

WEBSITE

As a Parish Council, it is a legal requirement to have a website. We are currently in the process of updating our website so it is accessible to everyone.

We would like to ask you, the people who live in the parish, what you would like the Parish Council website to offer.

You may not have given much thought to this before, but we would like to know what content would be useful.

- Would you like it to offer information about local clubs and societies?
- A map of the parish with local footpaths?
- We are considering a free 'local businesses' page, to give visibility to businesses in the parish by sharing contact details. Is this something you would be interested in?

We would also like to have a gallery page to showcase our beautiful countryside, so if you have any photographs of the parish, please share them with the Clerk.

If you have any other ideas, let us know. Contact the Clerk at northwood.tinkersleyipc@gmail.com with your thoughts, so the website can reflect the interests of our parish.

An Abundance of Yellow Daisies

Dandelion

Sturdy plants which grow almost anywhere. The flowers turn to face the sun throughout the day.

Lesser celandine

One of the earliest flowers to appear. They like damp, shady places in woods, meadows and gardens.

Leopard's bane

Vibrant yellow flowers which grow happily in shady, damp areas in woodland.

If I was tasked with reclassifying the plant kingdom, the first and probably biggest group I'd allocate would be for yellow daisies. Now is the time they grow vigorously and outshine other flowers. Wherever you walk in the parish at this time of year – the fields, woods and even roadsides – you're likely to encounter them reflecting their own yellow faces back towards the sun.

Here's a guide to some you may see flowering on your walks. Don't forget to take a closer look inside the flowers – the pollen and nectar they provide are a good source of food for the hungry bumblebees and other insects emerging after the long winter.

Cat's ear

A pretty convincing dandelion lookalike. The cat's ears refer to little brown leaves on the stem.

Smooth sow-thistle

Another dandelion lookalike, but the small flower-heads are clustered together at the top of the stem.

Silverweed

A lovely low-growing plant with silky, lacey, silvery leaves. The flowers have 5 bright yellow petals
