The Sharing Pallet

The 'Sharing Pallet' on Thorncliffe Avenue, next to the post box has been successful this year. Any surplus fruit, vegetables, herbs, pot plants, etc. were donated and were available to anyone who wanted and could use them and this will continue next year. Please continue to support it!

Grit

The winter seemed to arrive early this year, but with grit still remaining from last year we were ready. In preparation for more cold weather to come, we have ordered more grit and this is currently situated by the sharing pallet on Thorncliffe Avenue.

Northwood Wildlife Corridor

The work on the wildflower meadow, uphill from the playground, has continued throughout this year. The new bench is in place and provides an excellent place to sit and enjoy the views, we really do live in a spectacular place.

There are plans for natural flower banks and beds with natural grasses, plus a community orchard for next year.
